The Honorable Board of Supervisors June 10, 2008 Page 2

3. Adopt the resolutions imposing the annual assessments for Drainage Benefit Assessment Area Nos. 5, 8, 9, 13, 15, 17, 22, 23, 24, 25, 26, and 28 for Fiscal Year 2008-09.

#### PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The adoption of the attached resolutions is necessary to levy and collect the annual assessments for Fiscal Year 2008-09 for Drainage Benefit Assessment Area (DBAA) Nos. 5, 8, 9, 13, 15, 17, 22, 23, 24, 25, 26, and 28 to finance the maintenance, operation, and improvement of drainage facilities constructed and dedicated to the County of Los Angeles (County) in connection with various subdivision tracts in the unincorporated territory of the County.

#### <u>Implementation of Strategic Plan Goals</u>

The Countywide Strategic Plan directs that we provide Service Excellence (Goal 1) and Fiscal Responsibility (Goal 4). This action will provide sufficient funds to continue maintaining the drainage systems in a safe and effective operating condition providing flood protection to residents, thereby improving the quality of life in the County.

#### FISCAL IMPACT/FINANCING

There is no impact to the General Fund as a result of these actions.

The estimated cost for the operation and maintenance of the drainage facilities, for all DBAAs, is \$155,676.47. Of this amount, \$143,476.47 is allocated to special benefits derived by the lots in the subdivisions and the remaining \$12,200 is allocated to general benefits to the public at large. The total of the assessments to be collected in the Proposed Fiscal Year 2008-09 for the 12 DBAAs is \$143,476.47. The \$12,200 required to fund the cost of the general benefits is included in the Fiscal Year 2008-09 Special Road District 5 Fund Budget.

#### FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These drainage facilities were constructed and dedicated in satisfaction of conditions imposed through the subdivision review process. These facilities provide general benefits to public streets and special benefits to the properties within the proposed assessment areas.

The Honorable Board of Supervisors June 10, 2008 Page 3

DBAA Nos. 5, 8, 9, 13, 15, 17, 22, 23, 25, 26, and 28 were formed by your Board on February 12, 1985; May 12, 1987; May 19, 1986; November 21, 1986; January 28, 1988; March 30, 1989; February 14, 1989; June 22, 1989; February 15, September 27, 1990; and January 17, 1991, respectively. The assessments for these DBAAs were determined pursuant to the Benefit Assessment Act of 1982. The amount of assessments for these DBAAs is not being increased.

DBAA No. 24 was formed by your Board on January 30, 2007. The amount of the annual assessment, including an annual Consumer Price Index adjustment, was determined in accordance with the Benefit Assessment Act of 1982 and Article 13D of the California Constitution (Proposition 218).

The Benefit Assessment Act of 1982 authorizes your Board to impose the annual assessments by either resolution or ordinance. Pursuant to Article 13D, Section 5(a) of the California Constitution and Government Code Section 53753.5, the levy of the recommended annual assessments for the upcoming fiscal year is exempt from the requirement of a public hearing and the other procedures of Proposition 218 as there has been no change in assessment that would necessitate the Proposition 218 process.

The attached resolutions have been approved as to form by County Counsel.

#### **ENVIRONMENTAL DOCUMENTATION**

Adoption of the attached resolutions is for the purposes of meeting operating expenses and, therefore, is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Section 15273(a) of the State California Environmental Quality Act guidelines.

The estimated cost for Fiscal Year 2008-09 is \$69,500.

#### 2. Description of Each Parcel

DBAA No. 24 is comprised of 685 parcels of Tract No. 31158 (Unit Tract Nos. 31158, 37801, 44966, 46268, 46269, and 46270) recorded in Book 2812 of maps in the office of the Registrar-Recorder/County Clerk.

The area of benefit include Assessor's Parcel No. 2812 009 900. This publicly-owned parcel is the site of David March Park, which receive a special benefit from the provision of the proposed services.

#### 3. <u>Basis and Schedule of Benefits</u>

The proposed service will provide general benefits to the proposed assessment area and the public at large. General benefits are provided to all of the public streets within the DBAA No. 24 and account for 17.53 percent of the estimated cost. The general benefit share for Fiscal Year 2008-09 is \$12,200. Funding for the general benefit share will be provided by Special Road District 5 Fund Budgets.

The proposed services specially benefit each parcel within DBAA No. 24. The special benefit proportionate share of the total estimated cost is 82.47 percent. The special benefit share for Fiscal Year 2008-09 is \$57,300. The basis of benefit per parcel was determined by the parcel size. Single-family residential lots will be assessed one benefit unit. The average single-family residential lot size is 9,001 square feet. The average condominium lot size is 2,226 square feet, which is 25 percent of the average single-family residential lot size. Therefore, each condominium unit will be assessed 0.25 benefit unit. All other lots will be assessed one benefit unit for every 9,001 square feet of lot size.

The proposed annual assessment rate of \$85.30 per Benefit Unit was determined in accordance with the following formula.

Proposed Annual Assessment Rate = Annual Proposed Assessment Area Costs
Sum Total of All Benefit Units

The annual assessment for each identified parcel was determined in accordance with the following formula.

Annual Assessment for Parcel =Proposed Annual Assessment Rate X Benefit Unit for Parcel

#### 4. Proposed Assessment for Each Parcel
